

## Constitutional Objects

1. To raise awareness and appreciation of the beauty and important heritage of the Southern Tablelands, including buildings, gardens, arts and crafts
2. To facilitate the opening of selected gardens in the Southern Tablelands for viewing by the public in accordance with the Southern Tablelands Open Gardens Scheme
3. To promote the enjoyment, knowledge and benefits of gardens and the contribution that they make to a healthy and happy civic life
4. To actively encourage and support conservation and enhancement of significant cultural landscapes, historic buildings, gardens, streetscapes and plants in the Southern Tablelands
5. To promote friendship through gardening and the shared appreciation of gardens, arts and cultural pursuits
6. To raise money for the conservation, sustainability and ongoing beautification of significant plants, public gardens, streetscapes, and landscapes in the Southern Tablelands and to encourage and promote local arts and crafts
7. To liaise with government and non-government organisations to advance the Association's objectives.
